

# *DO YOU WANT TO FIND A MEANING TO YOUR LIFE?*

*Then you need to connect with a Higher Power, Someone Higher  
than you.*

*By Piercarla Garusi, Life Coach & NLP Practitioner*

We all look for a reason in our lives and wonder why we are here. We look for a deep meaning, and we need it in order to feel fulfilment.

We need to know that we are important, that we have a purpose on this planet. We need to know we are doing something with our lives, that we are making a difference, that we are leaving a legacy, and that we are giving something back.

These are some of the fundamentals needs of human beings.

And the way to find a response to your questions is by connecting with Someone Higher than you, a Higher Power.

Someone who has created you: so you are wanted.

Someone who has a plan for you: a plan of love and happiness.

Someone who knows you intimately, all your unique qualities and strengths.

Someone who love you unconditionally, and is always ready to give you support and encouragement.

And in connecting with this Higher Power you would also learn who you truly are.

And in order to connect with this Higher Power you simply need to open up to love and trust. It is very simple.

And you need to conduct your life by being true to yourself and your values, which gives direction to your choices and actions.

*Are you ready to be truly fulfilled?*
